

**INMS Contact List (v23-2-15):**

This information is provided to allow those interested in INMS to see which organisations and persons are on the general contact list and have therefore been receiving e-mail newsletters and invitations to partner meetings, etc. Work will continue on formulating and updating this information during the PPG phase. Due to data protection reasons we are not allowed to share the e-mail addresses of such persons on the web or in cc on e-mail communication.

Please note this list reflects names in the e-mailing list, by organisation. It does not mean that each organisation is listed in the PIF/has promised co-financing. Also names are grouped by organisation and therefore persons may be from different departments within that organisation.
